华夏中文学校的同学们和家长们，你们好！

这星期(十一月二十二日)学校正常上课。请大家抓紧复习，这星期就要考试了。

上星期老师们去开了华夏教师研讨会。有专家讲座，课堂观摩，经验介绍，大家真是受益匪浅。专家们从老师和学生的不同角度探讨中文教学，让人觉得醍醐灌顶，茅塞顿开。

一个专家说，教课的内容一定要和学生的智力水平相当。一个专家说，他学中文中，语法是最有帮助的。还有很多精辟的论点。我们的老师也跃跃欲试，为了我们学校的教学改进，老师们也准备开个内部研讨会，讨论下一步的工作。

就这些了，欢迎大家高高兴兴地来中文学校。

博采众长教中文，细查吾瑕行万里。

Hello Huaxia Students and Parents,

This week (11/22) our school is open as usual. Our tests will be held this week. So please take the last few days to review.

Last week we had a very successful teachers' conference. Some experts, elite teachers were asked to give lectures, teaching demonstrations and share their experience, etc. All points are well taken. They really give us some directions that our Chinese School will go. In order to summarize the experts' opinions and experience, our teachers will have an internal conference to discuss how we can improve our teachings.

That's it for this week.

See you at School.
