

Huaxia South Chinese School Weekly News

Feb. 05, 2015

华夏中文学校的同学们和家长们，你们好！

这星期六（二月七日）学校继续上课，**但时间是二点半到五点二十**。请大家尽量提早到校，不要迟到。可能是天气的原因，我们还是发现有一些同学迟到。如果天气好，还有迟到的，我们要考虑罚家长的款啦。

由于最近大家忙着考试和春节联欢，只有一些少量的学生习作发表。请同学们过了这段时间，继续写作。功力是一天一天积累起来的。请大家继续参观我们的习作园地。网址在此：<http://www.hxsouth.org/Students/EssaysRecommended.aspx>。

我们还有辩论比赛。通知已经发出去了，请家长们鼓励孩子们参加，同时协助他们。中文是你们地看家本领。如果你们以前错过了好机会，那就和你们的孩子们一起准备吧，这是多好的父子，母女交流的机会呀！不要浪费它。

这星期要考试了，祝同学们考好。但记住考试不是目的，用才是。如果你会用，那就向自己祝贺吧。

春节联欢活动进入倒计时，请同学们，老师们加紧准备。我们也得到了家长和友人的赞助，我们会把他们的亲情转给大家。当你们吃着美味的佳肴，欣赏着不可思议的魔术，拿着“沉甸甸”的奖卷儿时，请记住，那里面有来自我们这个华人大家庭成员的衷心祝福！我代表中文学校向他们表示由衷的感谢！掌声响起来，，，

告诉喜欢数学的同学们一个好消息，从这周起，我们终于开办高中水平的数学俱乐部！发起者是姐弟，他们非常了得，见面就知道了。题目主要来源是哈佛-麻省理工数学锦标赛（HMMT）和美国数学邀请赛（AIME）。形式是自己做三十分钟，后三十分钟大家讨论。请高年级的同学来参加，一定会受益不浅。也可以把乏味的数学变得有趣。时间是第一节课，地点是教室 A117.

春节的另一个大礼，我们没有收到。万宝路市的教委没有通过我们的提案，即把春节列入学校的节日。投票是 4: 5. 这个结果应该是不错的。我们华人没有这方面的经验。光靠热情是不够的。我们需要实力，更现实的是策略。孙子曰，“知己知彼”，我们这次只做到了“知己”，没有“知彼”。我们会好好总结，下次再来。

我还没有收到任何对联，大概有一定难度。还有一周的时间，希望得到一个惊喜。

我的对联是：

马步生风辞旧岁

羊蹄轻快迎春卉

易成

华夏中文学校南部分校

二〇一五年二月五日

Hello Huaxia Students and Parents,

This Saturday (02/07) our school is in session. But remember we have a delayed one from **2:30pm to 5:20pm!** Please come on time. You shall not have any excuse to be late. Welcome to our Chinese school.

Since our students and teachers are busy preparing for the tests and Chinese New Year, we don't have many writings. We will start after Chinese New Year. Please continue to visit our students' project and writing webpage.

<http://www.hxsouth.org/Students/EssaysRecommended.aspx>.

We will have a debate competition. Please prepare for it. It's a good opportunity to practice your Chinese language skills. If parents cannot help, please find the teachers.

We will have a test this week. Please work on it. But remember taking the test is not the goal. Instead, the usage is. If you can use your Chinese language skills to communicate, read and write, congratulate yourselves!

The preparation for Chinese New Year is entering the count-down stage now. The students and teachers are working hard on it. We have got sponsorships from our parents and friends. So please remember the love they give us when you eat the delicious food, watch the fantastic magic show and get your "lottery" awards. Let me say to them, THANKS A LOT!

We will have a math club of high-school level from this week. The time is the first session (class). The classroom is A117. The problem-sources are Harvard-MIT Math Tournament (HMMT) and American Invitational Math Examination (AIME). The format is that 30-minute problem solving and 30-minute discussion. Students will have fun.

We have lost a big potential gift for the Chinese New Year. The BOE voted down our proposal of setting Chinese New Year as a holiday in Marlboro school district. We will learn a lot from this event. And “We will come back.”

See you at School.

Cheng Yi
