This year, we will have a new activity - gift exchange, each family prepare a gift around \$25, and you will have a number when you drop off the gift, you can randomly pick gift prepared by other families. Wish we all have a wonderful New Year surprise. Thanks for your participation!

同时会有三位学习电影的同学，会来我们学校拍摄和采访。大家可以自愿参加，介绍如下：

We are film major students from School of Visual Arts in New York, planning to make a short documentary film about Chinese and Chinese culture here in United States. The focus of this school project is to explore how Chinese immigrants communicate with younger generations who were born and raised here in America, and how Chinese language serves as a vehicle to contribute to the understanding and succession of Chinese culture.

On the date of event, there will be 3 of us filming the performances stages and taking interviews, which are totally voluntary. If you like to help us make the project, or just want to jump in and talk about whatever you feel about your Chinese background, language learning, or anything really, you are most welcome to do so! We will prepare some questions just as references, you are absolutely free to choose any from them. Both English and Chinese (preferably Mandarin) are OK! Hope to see you there, and celebrate a New Year together!

南部中文学校的家庭们，感谢你们的参与和支持。
Thanks for your support as always!
